

## Italian language school in La Spezia.

**Aidea** provides professional language and cultural studies in the context of the splendid Gulf of Poets. The school is in the town center, close to train, bus station and dock, where you can find the ferries to visit the Cinque Terre, Levanto, Lerici and Portovenere. From La Spezia you can also easily reach beautiful art cities like Florence, Pisa, Genua and Carrara.

Join us at our school and learn Italian surrounded by unique history, art and ancient fragrances or just simply relax with a refreshing aperitif close to the sea. **Aidea** offer a full immersion experience by exposing students to the Italian language in as many forms as possible, especially by venturing out into the local community, visiting the markets, the cityscape, the shops. This allows students to practice what they have learned in the classroom in real life situations.

*"Tell me, and I will forget. Show me and I may remember. Involve me, and I will understand" (Confucius).*

Our Italian courses are aimed at students of all nationalities and age. Schedules and educational methods are flexible: one-to-one lessons are given also in the evening until 10 pm and there's also the possibility to create small classes with at least three students.

Aidea is an exam center for the CILS Certificate and It also prepares students for the CILS exam. The CILS certificate is **an official title** that denotes the degree of linguistic competency **of Italian as a foreign language**. It is authorised by the Italian Government and the *University of Siena* and allows enrolling in an Italian university (by reaching Level B2) as well as entering the labour market more easily. The CILS exam is held in La Spezia twice a year.
